**Project Narrative:** Please attach a one page narrative that addresses the following:

- A description of the project, including expected results.
- The need for the project and the expected benefits to the community.
- A brief explanation of expenses.
- For projects producing publications, explain how the materials will be distributed.

Be sure to limit your narrative to one page and do not attach additional information (newsletters, brochures, annual reports, etc.) – longer proposals will not be considered.
